Allowable Subject Matter

Claims 8-11 and 15-17 are allowed.

The following is an examiner's statement of reasons for allowance: The closest prior art known to the Examiner is listed on the PTO 892 and IDS forms of the previous Office action. The cited prior art does not suggest or disclose a process for dispersing magnetic fine particles surrounded by a non-metal film in a medium and a process for coating said medium on top of an insulating film as required in the presently claimed invention. Claims 15-17 are allowable for the reasons as cited in the previous Office action.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
